A Conversation between God and You

by
Cornelius Gray

I called you.
Me?

Yes, you.
Why me?

Because I know you can do it.
But I don't want to.

I know, but I know you can. And guess what.
What?

I'm God, and I'm in charge!

One day, Cornelius and I were having a lighthearted conversation. During it, he told me that he had recently been sitting, reflecting, and these words came to him. He shared them with me, and I asked his permission to share them with you.
